Today is our mother's birthday.

I talk to May, 'What can we buy?' May says, 'Can we buy rings, a handbag and a skirt?' I say, 'No, we do not have enough money!' We are sad and unhappy.

I say, 'I have an idea!' May listens to me. She is happy and excited. I say, 'This idea is that we ask our father to make a birthday cake with us.'

Then we say to our father, 'Can you make a birthday cake with us?' Dad says, 'Yes, I can!' We then make the cake. Mum sees the cake. She is happy. Dad, May and I are happy, too!

Today May and I look at the calendar and find that Mum's birthday is coming. We want to buy a ring for mum. May wants to buy a bag and a skirt.

However, May and I do not have enough money to buy gifts for mum. Suddenly, I have an idea. I ask May to buy some milk, eggs, flour and butter in the supermarket with me. Then, we bake a birthday cake for mum.

Finally, we give the cake to Mum. She is very surprised. May and I are very excited!

Today is Mum's birthday. I want to buy a ring for Mum and May wants to buy a handbag or a skirt. However, we do not have enough money.

'I have an idea!' I said. We then find Dad and say, 'Dad, we want your help! Can you help us?' Dad said, 'Sure! How can I help you?' 'We want to make a cake!' we said.

May finds a cooking book. We follow the steps in the cooking book to make a cake. When Mum goes home, we say, 'Happy Birthday, Mum!' Mum eats the birthday cake. She says, 'It is yummy!' Mum feels happy! Dad says, 'You are a good boy, John!' I feel very happy.
