Dear Ben,

How are you? I hope you feel better. I have some good suggestions for a one-day trip.

First, we can go to have breakfast. Then, we can go to Hong Kong Wetland Park to know more about the habitats of crabs and other animals that live in the wetland. We can stay there for three hours. After that, we can go to Mai Po to eat seafood. I know you love eating seafood, right? We can eat crabs and fish.

Next, we can go hiking. I suggest going to Tai Mo Shan because we can also watch the view of Hong Kong there. We can stay there until evening. However, if you feel tired when walking up the hill, you need to take a rest. Finally, we can walk back to your hotel and have a good meal there.

I am looking forward to seeing you on that day.

Love,

Paul

Dear Ben,

I am so sorry to hear that you are sick. Hope you can get well soon. You need to drink more hot or warm water.

In Hong Kong, there are a lot of things to eat. You can go to Shau Kei Wan. There are different kinds of food for you to choose. There are noodles, seafood and Japanese food. They are not expensive. You can also go to Olympian City where you can find a food court. You can taste western food, Japanese food and Chinese food there. If you want to go sightseeing, you can go to Sky 100. It is near Kowloon Station. At Sky 100, you can see the beautiful view of Hong Kong! The admission fee is not very expensive. If you want to go there, I can buy you a ticket first.

Love,

Paul

Dear Ben,

I know you have got a flu. Are you feeling better now? I have good suggestions. I will take you to Hong Kong Disneyland.

We can go there by MTR. When we arrive there, we can watch the parade first. Then, we can go to play on the roller-coaster. Next we can go to play on the merry-go-round. After that, we can go to the tuck-shop to eat hot dogs. Then, we can go to play bumper cars.

Finally, we can watch the fireworks. I hope you like this plan.

Love,

Paul
